A Pledge of Purity

The April number of McClure's Magazine, in its Bulletin of Pure Foods and Toilet Preparations, prominently features

REXALL HAIR TONIC

To win a place on this scientifically scrutinized Bulletin, Rexall Hair Tonic conformed to the following McClure requirements:

"Shall contain no methyl, or wood alcohol, compounds of mercury, lead, arsenic, silver and free acids, paraphenylene diamine, nitro benzol, nor any other caustic or dangerous ingredient."

The Purity of Rexall Hair Tonic, however, is but one of the reasons for its recommendation. The biggest fact is that Rexall Hair Tonic cleanses the scalp, neutralizes all dirt and grease, and permanently beautifies the hair.
